

Pursuant to Article 18 of the Act on the methodology for calculating network charges for the transmission network of natural gas (Official Gazette of the RS, No. 77/2015) and on the basis of the Energy Agency consent No. 211-61/2015-11/429, dated 25.11.2015, and resolution No. 211-61/2015-13/429, dated 2.12.2015, the Transmission System Operator for natural gas Plinovodi d.o.o., as public service obligation relating to the activity of Transmission System Operator in the field of natural gas, hereby issues

PRICELIST FOR OTHER SERVICES

which Transmission System Operator charges in addition to the network charge for network users in the framework of performing public service obligation relating to the activity of Transmission System Operator in the field of natural gas

	Type of Service	Prices excluding VAT	
1.	For a worker at the position of employment requiring the following levels of education:*	Unit	EUR
1.1	Level VIII	[EUR/h]	51,80
1.2	Level VII/2	[EUR/h]	43,20
1.3	Level VII/1	[EUR/h]	36,00
1.4	Level VI	[EUR/h]	29,70
1.5	Level V	[EUR/h]	27,10
1.6	up to and including level IV	[EUR/h]	22,20
1.7	activities carried out outside working hours (margin)**	[EUR/h]	0,50
1.8	allowance per kilometre driven- passenger car	[EUR/km]	0,37
1.9	allowance per kilometre driven- freight vehicle	[EUR/km]	0,74

*the duration of travelling is also charged

** working day refers to working hours from 7am to 3 pm

	Type of Service	Prices excluding VAT	
2.	Use of a machine or device	Unit	EUR
2.1	pipe detector	[EUR/h]	55,60
2.2	gas detector EX-TEC-SR	[EUR/h]	58,90
2.3	gas detector EX-TEC-PM	[EUR/h]	38,00
2.4	insulation tester	[EUR/h]	50,30
2.5	pressure drilling device	[EUR/h]	181,20

	Type of Service	Prices excluding VAT	
3.	Suspension/re-establishment of gas transmission	Unit	EUR
3.1	suspension of transmission	[EUR/event]	240,00
3.2	re-establishment of transmission	[EUR/event]	240,00

	Type of Service	Prices excluding VAT	
4.	Virtual point	Unit	EUR
4.1	annual fee	[EUR/year]	9.000,00
4.2	individual transaction	[EUR/kWh]	0,00002

	Type of Service	Prices excluding VAT	
5.	Control of meters	Unit	EUR
5.1	gas meters with a turbine, rotary and ultrasonic gas metres		
5.1.1	servicing of gas metres up to G-650 (from $Q_{min}=1m^3/h$ and DN50)	[EUR/piece]	168,60
5.1.2	servicing of G-1000 to G-6500 gas metres	[EUR/piece]	337,30
5.1.3	installation of a pulse unit	[EUR/piece]	84,50
5.1.4	testing, set-up and calibration of gas metres up to G-650 (from $Q_{min}=1m^3/h$ and DN50)	[EUR/piece]	112,60
5.1.5	testing, set-up and calibration of G-1000 to G-6500 gas metres	[EUR/piece]	196,90
5.1.6	stamping	[EUR/piece]	50,00
5.1.7	establishing the curve of measurement errors	[EUR/piece]	168,60
5.1.8	stamping and calibration documentation	[EUR/piece]	20,00
5.2	mechanical volume conversion devices		
5.2.1	servicing	[EUR/piece]	112,60
5.2.2	calibration	[EUR/piece]	112,60
5.2.3	stamping	[EUR/piece]	50,00
5.2.4	establishing the curve of measurement errors	[EUR/piece]	56,50
5.2.5	stamping and calibration documentation	[EUR/piece]	20,00
5.3	electronic volume conversion devices		
5.3.1	repair (troubleshooting, card replacement)	[EUR/piece]	112,60
5.3.2	review of the pressure or temperature characteristics	[EUR/piece]	112,60
5.3.3	modification of the pressure and temperature measurement	[EUR/piece]	84,50
5.3.4	modification and calculation of compressibility factor	[EUR/piece]	84,50
5.3.5	calibration	[EUR/piece]	165,00
5.3.6	stamping	[EUR/piece]	50,00
5.3.7	establishing the curve of measurement errors	[EUR/piece]	112,60
5.3.8	stamping and calibration documentation	[EUR/piece]	20,00

Pricelist is valid as of 1st January 2016 until 31st December 2018
