Network User \_\_\_\_\_ (company name), \_\_\_\_\_ (address),  
\_\_\_\_\_ (company registration No.), \_\_\_\_\_ (VAT ID No.), \_\_\_\_\_ (EIC  
CODE), represented by \_\_\_\_\_ (legal representative)

**We hereby unconditionally declare that we are familiar with the contents and we  
accept the binding nature of the General terms and conditions of the transport  
contract on auctioned capacities**

as Annex 1 to the Rules on terms and conditions for capacity allocation mechanisms at interconnection points of the transmission system through auction, congestion management procedure and capacity trading on the secondary market (Official Gazette of the RS No. 152/20) and as integral part of each Transport contract on auctioned capacities. In addition, we confirm our representative contact details\*:

1. \_\_\_\_\_ (first name, last name), \_\_\_\_\_ (E-mail),  
\_\_\_\_\_ (phone),
2. \_\_\_\_\_ (first name, last name), \_\_\_\_\_ (E-mail),  
\_\_\_\_\_ (phone),
3. \_\_\_\_\_ (first name, last name), \_\_\_\_\_ (E-mail),  
\_\_\_\_\_ (phone),

\*Contact details of at least one Network User's representative are mandatory.

To the aforementioned persons, the Transmission System Operator shall also provide access to the operator's web application, i.e. the NUS, for the purposes of booking capacity at the border points in the event of a failure of the online booking platform. The Transmission System Operator shall issue a digital certificate for access to the NUS portal. The recipient of the digital certificate commits to protect the digital certificate and will not allow access to other persons. The possibility to book border capacities through the NUS portal can be carried out only in cases and in the manner defined in Article 17 of the Rules on terms and conditions for capacity allocation mechanisms at interconnection points of the transmission system through auction, congestion management procedure and capacity trading on the secondary market.

By signing this declaration, we hereby certify the information is true and accurate.

We are bound to immediately inform at the auction declared Balancing Group Leader on all essential elements of each transmission capacity allocation through successfully concluded auction.
